As stated in previous disclosures and Prospectus, majority of the net proceeds from the Stock Rights Offering is intended to be used to finance the acquisition of land located in various parts of the country for all its business segments. Negotiations are still on going for some of the programmed land acquisitions.

For a more efficient deployment of its financial resources, on 27 April 2018, the Board of Directors approved the **temporary** reallocation of the unutilized portion of the net balance of proceeds from the Stock Rights Offering to repay short-term debts until the aforementioned negotiations on the purchase of land have been finalized.

Such temporary re-allocation is in the interest of RLC and its shareholders as a whole as it is in line with RLC's overall business strategy to maintain a strong balance sheet position through cash flow optimization by improving gearing levels and rationalizing interest payments. It must be further emphasized that there shall be no material change in the nature of business of RLC as set out in the Prospectus.

We have performed the procedures agreed with you and enumerated below with respect to the attached Progress Report as of **June 30, 2018** on the application of the proceeds from the Stock Rights Offering (the "Offering") of **Robinsons Land Corporation** (the "Company"). The procedures were performed solely to enable the Company to comply with the Philippine Stock Exchange, Inc.'s (PSE) requirement to submit an external auditor's certification on the accuracy of information being presented by the Company relating to the use of proceeds. 4. Compared the disbursements in the Schedule to the list of disbursements as of June 30, 2018;
5. Traced disbursements to the supporting documents such as check vouchers, deeds of absolute sale, official receipts, acknowledgment receipts and bank statements and agreed the amount to the accounting records;

to repay short-term debts until the negotiations on the purchase of land have been finalized. We examined a copy of the PSE Disclosure Form 4-29 and Secretary's Certification on the BOD resolution supporting the reallocation which was dated and signed April 27, 2018.

Because the above procedures do not constitute either an audit or a review made in accordance with Philippine Standards on Auditing (PSA) or Philippine Standards on Review Engagements (PSRE), respectively, we do not express any assurance on the use of proceeds from the Offering based on the said standards.

Had we performed additional procedures or performed an audit or review of the financial statements in accordance with PSA or PSRE, respectively, other matters might have come to our attention that would have been reported to you.
