Gentlemen:

We refer to the letter of the Philippine Stock Exchange dated February 14, 2013 which requested us to clarify and/or confirm the information contained in the news article entitled “Robinsons Land profit hit P1.19B in Oct.-Dec.” which appeared in the February 13, 2013 issue of the Philippine Daily Inquirer. The article reported in part that:

“GOKONGWEI-LED Robinsons Land Corp. grew its net profit by about 3 percent to P1.19 billion in October to December last year on higher earnings from its shopping mall, office property and residential development businesses.

The figures during the three-month period, the first quarter in RLC’s fiscal year that ends in September, were based on unaudited numbers and were supported by a 9.2-percent growth in operating income or earnings before income tax during the year, RLC president Frederick Go said on Wednesday.

RLC’s revenue for the quarter rose about 10 percent to 3.78 billion from year-ago level”

....

We cannot confirm the remarks of Mr. Frederick Go as he is currently out of the country. However, based on the numbers above, we confirm that the numbers are correct, but the revenue figure should be corrected to P3.73Bn, instead of P3.78Bn.

Thank you.

Very truly yours,

ROSALINDA F. RIVERA
Corporate Secretary
