Gentlemen:

We refer to the letter of the Philippine Stock Exchange dated August 2, 2013 which requested us to clarify and/or confirm the information contained in the news article entitled “ALI, Robinsons eye SSS lot in Global City” which was posted in the philSTAR.com on August 2, 2013. The article reported in part that:

*“MANILA, Philippines – Leading real estate firms Ayala Land Inc. and Robinsons Land Corp. are among the six groups that have set their sights on the Social Security System’s prime property in the bustling Bonifacio Global City in Taguig.*

*Informed sources said that aside from ALI and RLC, real estate services firm Jones Lang, Santiago and Santiago law office, Keyland Corp. and Clark Quay Holdings Inc. also signified their interest to bid for the 8,300 – square meter property put on the auction block by the state pension fund.*

....

*RLC president Frederick D. Go said while the company purchased bid documents for the SSS property, it has yet to decide on whether to proceed with a bid or not.*

...

It is usual for Robinsons Land Corporation (the “Company”), in the ordinary course of its business, to explore the possibility of acquiring additional properties. However, we confirm the statement made by Mr. Frederick Go, President and Chief Operating Officer of the Company, as quoted above.

Thank you.

Very truly yours,

ROSALINDA F. RIVERA  
Corporate Secretary
